The elegant acidity gives it a nice freshness, with smooth tannins and delicate peppery notes. Long finish with spices and garrigue notes.

The second nose remains **fresh**, still with a slight **touch of coffee**. The palate is fresh, round on the attack. There are notes of **black fruits** such as blackberry and cherry. There's a nice acidity at mid-palate. The tannins are present and persistent through to the finish. The end of the tasting reveals juicy morello cherry and a hint of chocolate. Pleasant.
